BOISE, Idaho (AP) — Teams from the Mid-American and Western Athletic conferences will play in the Humanitarian Bowl for the next four years.

The third selection of bowl-eligible MAC teams will participate in the bowl, played at Boise State. The WAC is committed to sending one of its top teams.

Last year's Humanitarian Bowl on Dec. 30 saw Idaho edge Bowling Green 43-42. It received a 2.4 rating on ESPN, tying for the game's highest rating, set the previous year by Maryland and Nevada.

Roady's sponsors the Humanitarian Bowl.
